

Cupertino, this one is bittersweet.

After almost 10 incredible years, we've made the very difficult decision to close the doors of our Cupertino Oren's Hummus location.

This restaurant has been so much more than a place to eat. It has been a part of our community, supported and loved by our incredible customers, local businesses, friends, neighbors, and, most importantly, our beloved team who have given so much of themselves over the years.

We are truly saddened to say goodbye, but we are also incredibly grateful. Thank you, Cupertino, for welcoming us, supporting us, celebrating with us, and allowing us to be a part of your community for nearly a decade.

Our last day will be Friday, September 11th, and we'd love for you to come in and have a meal, share a memory, say goodbye and celebrate everything this location has meant to us.

And while we're closing one door, we're not saying goodbye. After September 11th, you'll still see many of your favorite servers and team members at one of our 4 other Bay Area Oren's Hummus locations or our Oren's Express location.

Luckily, there is some good news on the horizon! Our famous Oren's Hummus is coming to your local grocery stores in early 2027! We can't wait to bring the hummus you've loved in our restaurants into your homes. Stay tuned; there's much more to come!

Thank you, Cupertino. For nearly 10 years, you've been part of our story, and we will always be grateful. Come have one last meal with us before we close the doors on September 11th.

We'll see you around the table.

With Gratitude,
Mistie Boulton, CEO & Co-owner
